Nature of Complaint:

Consumer objects to the increase that is being requested by Litchfield Park Service Company for both water & sewer. He states that the company is stating that this is only \$1.50 per day but when you total it up for an entire year it is over \$500. With \$500 he could pay his car insurance or even a deductible on the insurance. He states that this is a 268% increase on meters and a 200% increase for usage to water and sewer. Does this increase also include increases for company executives. He is opposed to the rate increase.
